Erratum

The authors would like to issue an erratum for this article [1], and would like to declare the following competing interests which we inadvertently failed to include in our original publication. The authors would like to apologise for this omission.

Competing interests

Dr V. Reggie Edgerton and Dr Roland Roy, researchers on the study team, hold shareholder interests in NeuroRecovery Technologies. Dr Edgerton is also President and Chair of the company's Board of Directors. Dr Edgerton and Dr Roy hold certain inventorship rights on intellectual property licensed by The Regents of the University of California to NeuroRecovery Technologies and its subsidiaries. No other authors have competing interests.
